### PROGRAM OVERVIEW

The Grace Place LEAD program is a no-cost after school and summer program focusing on academics and enrichment. Grace Place established a learning center at Golden Gate High School that provides students with academic enrichment opportunities, along with activities designed to complement students' regular academic program during non-school hours.

These services support student learning and development and may include:

- Leadership Development (7 Habits of Highly Effective Teens)
- Tutoring/ Homework Help with intensive support of certified teachers
- Academic Enrichment programs led by certified teachers  
(such as hands-on Project Based Learning)
- Arts/Cultural Activities
- Sports/Wellness
- Career and College Awareness
- Dinner after school is provided
- Parent educational classes
