The Quarry to Host Grace Place Students for Kids Adventure Day

Naples, FL – The residents of The Quarry Community are generously hosting Kids Adventure Day, a fun-filled outdoor event for local elementary students from Grace Place for Children and Families. Taking place on Thursday, March 13, from 10 AM to 3 PM, this special day will provide 50 elementary students attending Grace Place's spring break camp with an unforgettable experience featuring fishing, games, crafts, and more—all at no cost to participants.

The Quarry residents have organized and prepared this event, offering their time, resources, and picturesque surroundings to create a memorable day. Kids will have the chance to fish in The Quarry's waters, enjoy a picnic lunch, participate in engaging games, create crafts, and take home their very own tackle boxes along with other surprises. This event aims to introduce children to the wonders of the outdoors while fostering new skills, confidence, and cherished memories.

"We are deeply appreciative of The Quarry residents for opening their hearts and beautiful community with our students," said Marcie Curry, Chief Program Officer at Grace Place. "This event offers an incredible opportunity for our children to experience the joys of fishing and outdoor activities, helping them build new skills and confidence in an enriching environment. This day will surely leave a lasting impact."

Members of the media are invited to attend and cover this inspiring day of community, generosity, and adventure. Interviews with event organizers and participating children will be available upon request.
