Grace Place Students Enjoy Memorable Kids Adventure Day at The Quarry

NAPLES, FL – March 20, 2025 – Sixty elementary students from Grace Place for Children and Families experienced an unforgettable day of outdoor fun, thanks to the generosity of The Quarry Community residents. Kids Adventure Day, held on Thursday, March 13, was filled with fishing, games, crafts, and laughter—all at no cost to the children.

The Quarry residents dedicated their time, resources, and beautiful surroundings to create a memorable experience for the students attending Grace Place's spring break camp. Throughout the day, students fished in The Quarry's scenic waters, enjoyed a picnic lunch, participated in exciting games, and crafted creative keepsakes. Each child went home with their very own tackle box and other fun surprises, ensuring memories of the day would last long after the event ended.

"We are incredibly grateful to The Quarry residents for making this special day possible," said Marcie Curry, Chief Program Officer at Grace Place. "Watching our students explore the outdoors, learn new skills, and build confidence was truly heartwarming. This event provided lasting memories and meaningful experiences they'll carry with them."

Kids Adventure Day was a shining example of community generosity and partnership, demonstrating how shared experiences can create positive impacts on children's growth and development.
